Behavior Flow in SRDA

How SRDA staff got work done in response to COVID-19

- Digitize workflows to help reduce in-person contacts and time spent on repetitive tasks.
- Prioritize the release of data in high demand to meet members' needs.
- Switch to online workshop/conference and the numbers of active members and data download grow.

In progress

- Redesign the SRDA website interface based on UX/UI.
- Develop a full-text search query system using Elasticsearch to meet users' expectations for data query performance.
- Develop an online analysis platform to replace Nesstar.
