Chinese National Survey Data Archive

# **An Overview of Annual Progress in 2022 of The Chinese National Survey Data Archive**

Weidong Wang

Renmin University of China

Beijing . Feb 17<sup>th</sup> 2023

## About CNSDA

---

- Chinese National Survey Data Archive (CNSDA) is the first social science data archive in mainland China
- CNSDA is mainly funded by the Natural Science Foundation of China (NSFC)
- CNSDA project started in 2012 and began to provide online data access service since 2014
- CNSDA is one of the flagship projects of the National Survey Research Center at Renmin University of China

# Missions of CNSDA

---

- Acquire and deposit the raw data and documents of the
- survey projects implemented in mainland China
- Do further curation and documentation of the collected survey data
- Provide open access and other related services for the stored survey data sets
- Promote data opening and data sharing in the academic community

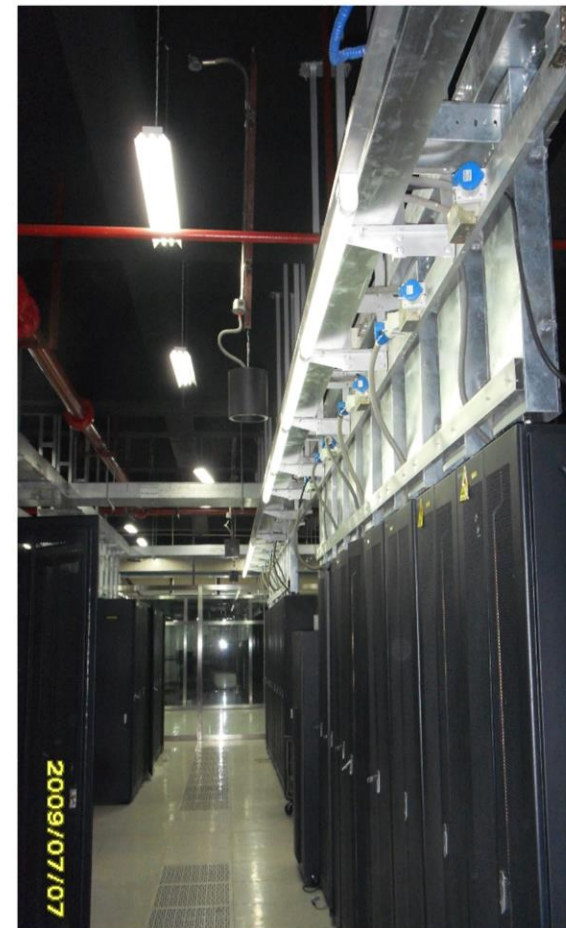

# CNSDA' s Site

# CNSDA Server Room

# The Website of CNSDA

Web address of CNSDA: <http://www.cnsda.org>

# Some Important Statistics of CNSDA

---

- Stored 140 survey data (by 2022 Dec.31<sup>st</sup> )
- Added 4 new datasets in 2022
- Registered users : 62213 (by 2022 Dec.31)

# Data Download

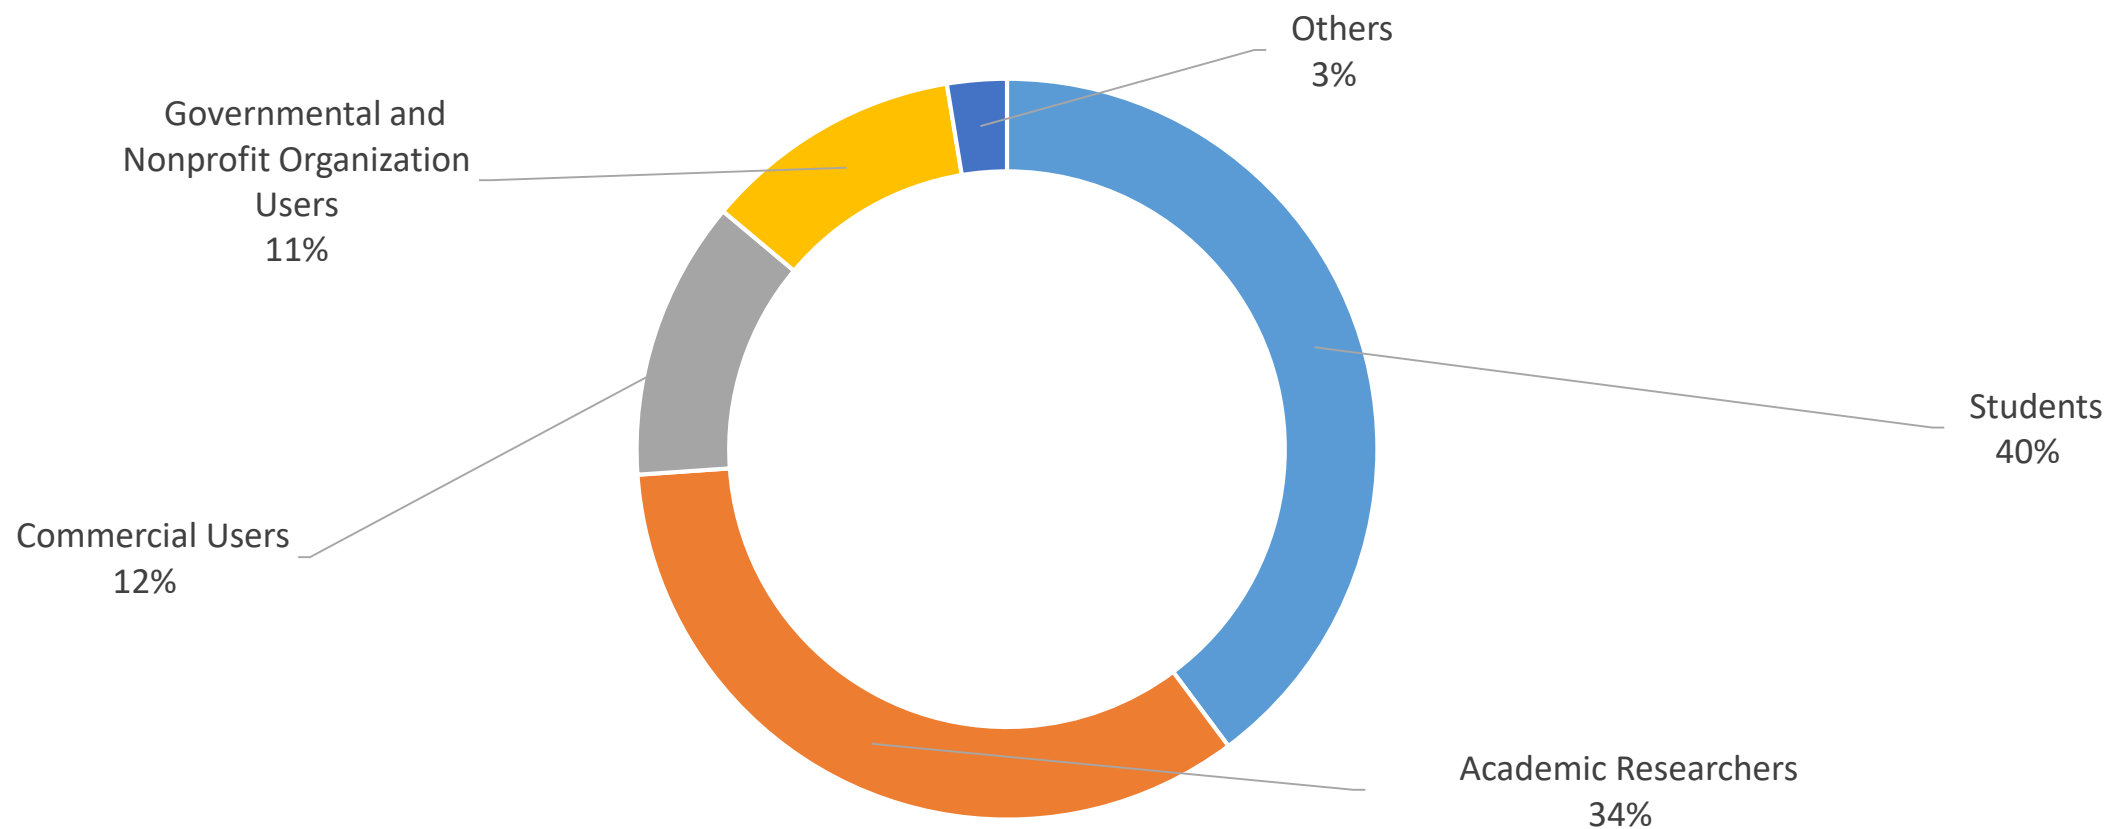

---

- Data downloads 70921 (from Jan 1<sup>st</sup> to Dec 31<sup>st</sup> 2022)
- Top 5 downloaded data sets in 2022
  - Chinese General Social Survey 17039
  - China Education Panel Survey 7296
  - Chinese Private Entrepreneur Survey 4043
  - College Students Panel Survey 3991
  - Netizens Social Attitude Survey 2608

# User Structure of CNSDA

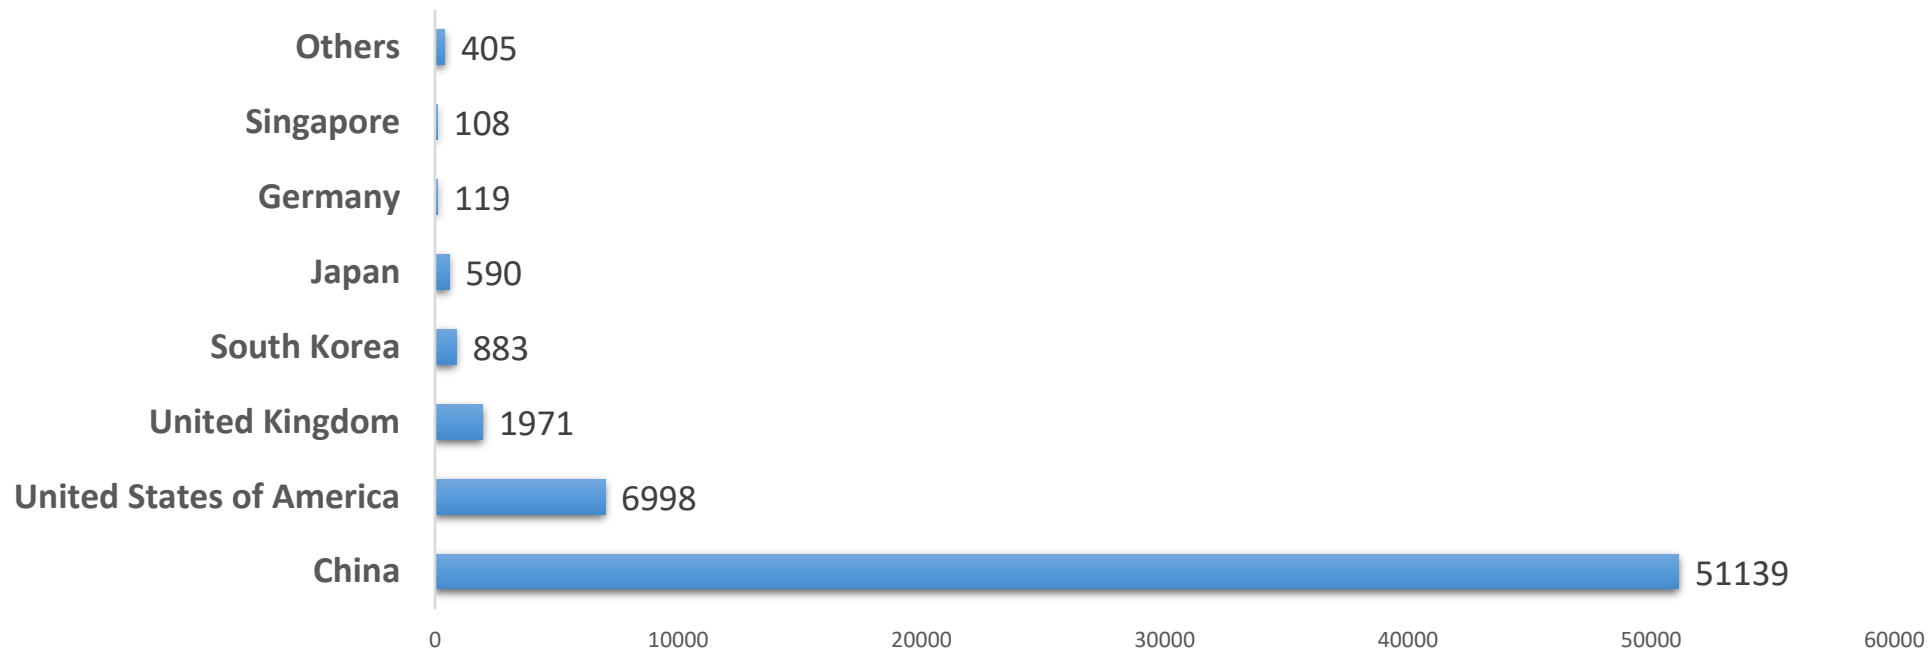

---

# User Sources CNSDA

The users of CNSDA are from 27 countries/regions, 17.8% of them are overseas. Besides China, there are 6 countries where registered users are more than 100.

# Publications Based on CNSDA Data

---

- 6216 Chinese journal papers
- 984 English journal papers, 1421 Chinese theses or dissertations
- 217 English doctoral dissertations
- 36 books

# **Data Events in China ,2022**

## New Released Data in 2022

---

- Chinese Social Survey (CSS) 2021
- Chinese Household Financial Survey (CHFS) 2019
- Chinese Education Panel Survey (CEPS) Wave III

# NBS-University Joint Microdata Center

---

Joint Microdata Centers between the Chinese National Bureau of Statistics and Peking University and Renmin University began to provide data access to Chinese 2020 census data.

NBS-PKU Research Data Center

# Challenge and New Trends

---

- More survey projects in China plan to open data, but they want to release data by themselves, not via data archives.
- Users raise higher service requirements for data archive, including data matching and providing geocode.
- The COVID-19 pandemic and economic downturn have reduced funding for survey data collection, which affected data sources for data archives.
